PROJECTS IN DEVELOPMENT

“15 Brothers”

Writers: Sean Mullin & Henry-Alex Rubin

Director: Henry-Alex Rubin

Logline: A coming-of-age sports story about a rebellious West Point Cadet whose loyalties to his rugby teammates – and his nation – are torn after his older brother is killed in action overseas.

“Dead Sand”

Writers: Brian Anthony & Max Adams

Director: Max Adams

Logline: A Special Forces Team leads a female FBI Agent on a hunt for an insurgent leader deep inside the Iraqi desert – but as men begin to disappear, and terrorists give way to an unknown supernatural force, the hunters become the hunted. In a nutshell, it’s Soldiers vs. Zombies – in Iraq.

“Untitled Britney Spears Project”

Writer/Director: Sean Mullin

Producers: Britney Films & Smart Entertainment (“*Blades of Glory*”)

Logline: A romantic comedy about a wealthy, feisty young woman who mocks her infertility by adopting three children behind her husband’s back – only to learn that you can’t put a price tag on true love.
